31/Jan/17 Call with Ankur Srivastava

Finally proposed by VSP:

1. New bus business entity for bus management
2. TW will:
   1. Licence software on rev/recurring or perpetual basis, depending on price
   2. Throw in ≅ 500 buses earning 2000 per bus/mth
3. About 20-25% stake for 1.5m USD.

Interested in setting up bus business. Customer has partnership with KPIT but is extremely dis-satisfied with capability and attitude. Wants a new technology partner.
